

CONSUMABLES**Massage oil**

Our Swedish made fully natural massage oil is a combination of four natural oils: Jojoba, Thistle, Shea Butter and Ricinus oil. Combining these four you have a great lubricant as well as resistance.

The oil is easily absorbed by the skin, and leaves the skin very smooth.

A Rosemary extractive is added naturally, for a long durability – 2 to 2,5 years in unopened flask, up to 6 months in a opened flask.

Kickstart

The ethereal oils in Kickstart are Peppermint, Fennel and Cedarwood, which gives a fresh and stimulating fragrance.

Natural

No ethereal fragrance in Natural.

Relax

The ethereal oils in Relax are Orange, Ilang Ilang, Lavender and Vertiveria, which gives a smooth and relaxing fragrance.

**Paper**

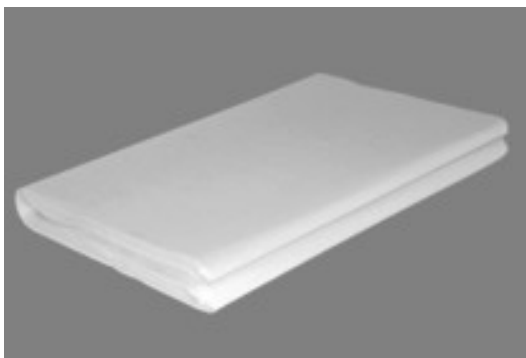

White viscose non-woven, a lovely super-soft quality.

It is the combination of strength and softness that has made this paper the favourite for Swedish massage therapists.
